School Message

Summer has certainly arrived this week, many thanks for sending the children with hats and sun cream it has really helped us keep the children safe from the sun.

I would like to thank everyone who contributed either goods or time to making the summer fayre such a successful afternoon. I am sure you will all agree it was a lovely afternoon for everyone. A special thank you must go to the 'Fundraisers' for all the hard work they put in.

The family quiz was another fun evening, enjoyed by all and helped by a glass of prosecco and strawberries and cream. A huge thank you must go to our Governors for supplying the drinks and strawberries, to the staff setting it all up and to our compare Mr C.

You will all have heard of the sad news that Richard Moon recently died. Richard had been our 'Lollypop' man and cleaner for a number of years. We have sent flowers to Richards family expressing our condolences. It has been suggested that it would be a fitting memorial to have a collection to raise money to either buy a new bench or do up the current bench and place a plaque on it in memory of Richard. We will have a box in reception for you to place any donations in should you wish to contribute.

I hope you all have a lovely weekend enjoying the sunshine,
Kindest regards,
Nicki Smith.

Hot Weather

The weather this week was a scorcher! So please remember the following important things for your children over the next few more hot weeks.

- Please ensure your child has a named (non-branded) **sunhat** in school. Please do not send in expensive 'flat peaks' as we cannot accept any responsibility for any missing hats.
- Sun screen** should be applied before school and children are welcome to bring in cream for lunchtimes but will need to apply it themselves.
- The girls may want to wear their school **summer dresses**. The navy or pale blue check ones are fine.
- Hair should be tied back if long with a plain navy bow. No 'Jojo' bows please. Hair should be cut into a short, but not 'skinhead', style and should not have any shapes or patterns in it.
